2011 CHEM SHOW

54th CPI (Chemical Process Industries) Exposition and Educational Conference
Tuesday, November 1 – Thursday, November 3, 2011
Jacob K. Javits Convention Center
New York, NY
www.chemshow.com

The 54th edition of the venerable CHEM SHOW will offer several new features as it celebrates its 96th year of serving the chemical process industries, November 1-3, 2011, at New York City's Jacob K. Javits Convention Center. The Show will feature a targeted focus on such core processing topics as:

- Process Control and Automation
- Optimizing Process Efficiency
- Water/Wastewater Treatment
- Emerging Technologies
- Saving Energy

The 2011 Show will also feature enhancements of interest to buyers from all segments of the process industries including:

- A comprehensive conference program developed and coordinated by AIChE
- A Process Control & Automation Center

- Expanded Support from Leading Industry Associations and Trade Publications
- Special educational series for pump users presented by Texas A&M Turbomachinery Laboratory

FURTHER INFORMATION

Visit **The CHEM SHOW** web site at www.chemshow.com for complete information or contact Show Management (International Exposition Company) at 203-221-9232 or email to info@chemshow.com.

ABOUT THE CHEM SHOW

Since 1915, the CHEM SHOW has been the CPI professional's single best resource for new products, new ideas and new services. It's a hands-on, interactive event that showcases a wide spectrum of emerging technologies. The unique industry forum creates a dynamic marketing environment unequalled by any other process industries event in North America. The CHEM SHOW is produced and managed by International Exposition Company (IEC), 15 Franklin Street, Westport, CT 06880; phone: (203) 221-9232; fax: (203) 221-9260; e-mail: info@chemshow.com; website: www.chemshow.com.
